Attentions

1. Finger Press Area

Press the pages in this area.

Before use:

- Do not leave it under direct sunlight or by heaters. It maybe discolored or damaged.
 - Do not place this product in any humid, dusty, or vibrating locations.
 - Carry the product by holding the base in both hands. Never hold the product by the arm or the camera head.
 - Use a soft, dry cloth for cleaning instead of any volatile solvent.
- When the device is not in use for a while, please turn off the power.

During use:

- Please prevent children from operating the device without supervision.
- Recommended environmental conditions: Temperature: 0°C - 40°C(32°F - 104°F).
- Humidity: 30% - 85%(No condensation).
- Use the product on a stable base, desk, or table.
- Do not press or pull the camera head with force.
- Do not point the camera lens directly at the sunlight. It may be damaged and fails to image.
- Do not look directly to the LED or lasers to prevent your eyes from being damaged.
- The product may not be operated properly if a USB hub is used to connect the product and a PC.
- Be careful to prevent the unit from dropping or overturning
- Please prevent the camera head to hit the desk top or any other hard objects, or it can be damaged easily.
